  performed

– All specifications refer to A4-size paper of 80 g/m² quality.
– The support and availability of the listed specifications and functionalities varies depending on operating systems, applica-
  tions and network protocols as well as network and system configurations.
– The stated life expectancy of each consumable is based on specific operating conditions such as page coverage for a
  particular page size (6% coverage of A4). The actual life of each consumable will vary depending on use and other printing
  variables including page coverage, page size, media type, continuous or intermittent printing, ambient temperature and
  humidity.
– Some of the product illustrations contain optional accessories.
– Specifications and accessories are based on the information available at the time of printing and are subject to change
  without notice.
– Konica Minolta does not warrant that any specifications mentioned will be error-free.
